# General Information

The Lead Time on standard orders is 6-10 working days, not counting the day the order is placed. Custom orders will be somewhat longer. Orders can not be processed until all required information is provided.

Our Order Desk hours are 7:00 AM to 4:00 PM Monday thru Friday. Orders received after 4:00 PM will be handled as a next day order.

Orders may be placed in person, by Phone, by Fax, or by Email.

## Terms

Payment terms are COD unless otherwise arranged with our credit department. If you wish to apply for an account, please request an application form from our credit department. Applications take two weeks to process. Accounts are Net the 10th of the month.

First time orders from new customers may require a deposit before processing.

## Ordering

When ordering, Fax or Email orders are suggested to minimize errors. Order Forms are available upon request, or the Order Forms at the front and back of this catalog can be copied. To avoid duplicating orders, do not refax or reEmail an order without denoting such as a duplicate.

Phoned in orders will be read back to verify accuracy of dimensions and quantities.

Ruckman's assumes no responsibility for incorrect or illegible information received by Phone, Fax or Email. All orders are considered to be correct and firm.

When placing an order, please define: Material, Inside (stile/rail) Profile, Outside Edge Profile, Raised Panel Profile, Quantity, Door Size (WxH), and Door Style.

Dimensions should be for exact door, drawer front, and drawer box sizes. Do not give opening sizes.

Sizes can be provided in either inch or millimeter form. Dimensions should be specified to the nearest 1/16", or the nearest whole millimeter.

Changes to orders or cancellations may be subject to a Change Order Charge as determined by Ruckman's. Changes may also impact completion dates.

# Pricing Information

All door and drawer front pricing is per square foot. Drawer box pricing is also per square foot using the denoted formula.

All doors and drawer fronts finish at 13/16".

The minimum charge on all five piece doors and drawer fronts is for 2.00 square feet.

The minimum charge on slab door and drawer fronts is for 1.00 square foot.

All doors and drawer fronts are priced per square foot to the nearest one-hundredth. Width (inches) x height (inches) divided by 144 = square foot. (Example: W (16") x H (29") divided by 144 = 3.22

Square foot pricing does not include outside edge or back edge profiles. For outside edging add \$.50 per sq. ft. (\$.75 per sq. ft. for those edges with an upcharge). Back edge profiles if used, are an additional \$.25 per sq. ft. Doors without edging have a square, edge sanded, outside edge.

Finger Pulls are available with an additional \$.75 per door and drawer front. See Door Option section of this catalog.

Slab drawer fronts 2 sq. ft. and larger will be priced as slab doors.

Paneled doors 48" long and longer will be fabricated with a center rail at a \$5.00 upcharge, unless otherwise specified. Special placement of the center rail is an additional \$5.00.

Panels and wide doors that require addition of a center stile (mullion) will have an upcharge of \$5.00.

Glass door frames are rabbeted to receive glass. Glass and stops are not provided. Arched type doors are squared out at the top.

Paint grade lumber is mill choice.

Doors with other than standard stile/rail sizes will have an upcharge applied.

PRODUCT PRICING AND SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE. THIS PUBLICATION SUPERSEDES ALL PRIOR SPECIFICATION AND PRICING DATA.

## Will Call

Will Call orders should be available the day after the acknowledgment completion date. Please contact Ruckman's in advance of pick-up to ensure order availability.

Ruckman's will not be responsible for any damage to orders left in Will Call for more than 15 days after completion date.

Orders left in Will Call beyond 30 days will be assessed a storage fee.

## Shipping

All prices are F.O.B. our factory, Puyallup, Washington.

Delivery service via our truck is available in most parts of Washington. Please check with us to determine if you are on one of our delivery routes.

All common carrier and UPS deliveries will be shipped freight collect unless prior arrangements have been made.

## Warranty

All doors are warranted to be free from defects in material or workmanship, which would make them unserviceable, for a period of one year from the date of invoice.

Natural variations in the grain, texture, or color of the wood, and seams in plywood are not considered to be defects.

A tolerance of +/- 1/16" applies to all dimensions.

A twist or warp of up to 3/16" shall not be considered a defect.

Five piece doors that are 24" wide or wider or are 48" long or longer, must receive a center stile or center rail to be covered by this warranty.

Solid slab doors are not covered by this warranty.

Doors which have an improper finish and/or have been exposed to high humidity and/or moisture are not covered by this warranty.

Doors installed outside the continental United States are not covered by this warranty.

**THIS WARRANTY IS LIMITED TO REPAIR OR REPLACEMENT OF DOORS F.O.B. OUR FACTORY. NO OTHER WARRANTIES OF ANY KIND, EXPRESSED OR IMPLIED, APPLY.**

Defective items must be returned to our factory for verification before repair or replacement can commence. OUR LIABILITY SHALL BE LIMITED TO THE NET INVOICE PRICE OF THE ITEMS IN QUESTION. UNDER NO CIRCUMSTANCES IS OUR COMPANY LIABLE FOR ANY INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES OR LOSS OF PROFITS.

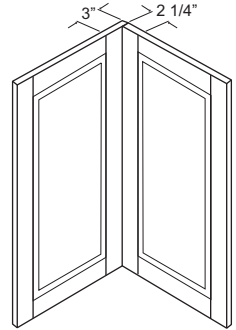

# DOOR OPTIONS

# Door Options

## Lazy Susan Doors

Lazy Susan doors may be ordered with a wide stile, with no edging. On one door the wide stile is 3/4" wider than the called out frame size. The other door may be ordered with no edge on one side, or both doors may be ordered with standard frame size and no edge one side.

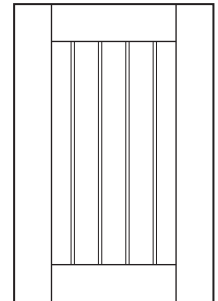

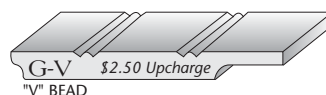

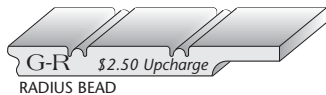

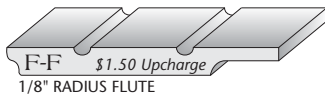

ADD \$2.50 each door for the wide stile with no edging.  
ADD \$1.00 each door for no edging one side.

## Grooved Panels

Grooved reversed raised panel doors may be ordered by calling out the desired F or G series, reversed raised panel. Panel grooves are on 1-1/2" centers. Other spacing available upon request.

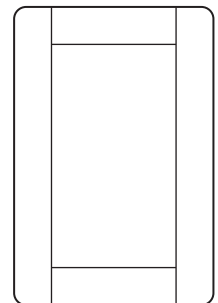

ADD \$1.50 per Sq Ft for F-F & F-V reversed raised panels.  
ADD \$2.50 per Sq Ft for G-R & G-V reversed raised panels.

## Radius Corners

Radius Corner slab doors (1010) and slab drawer fronts (1015) as well as five piece doors and drawer fronts are available with a 3/8", 1/2", or 3/4" radius corners. The standard radius is 3/4" and will be used if no other radius is defined. Radius corners are available only with edge profiles E-5, E-6, E-12, E-13, & E-14.

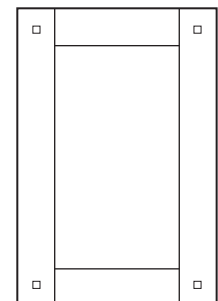

SEE pricing matrix for slab doors and drawer fronts.  
ADD \$2.00 each for five piece door and drawer front.

## Accent Pegs

3/8" Square accent pegs are available on all doors and drawer fronts. They are available in Cherry, Red Oak and Walnut.

ADD \$1.00 per Accent Peg.

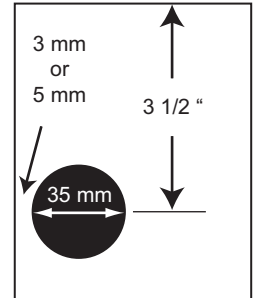

# Door Options

## Hinge Boring

Doors are available with a 35mm hinge hole bored on 3-1/2" centers from the top and bottom of the door. The hinge hole offset is either 3mm or 5mm. A third, centered, hinge hole is automatically added to doors 48" long or longer. Hinge hold boring on other than 3-1/2" centers is available upon request.

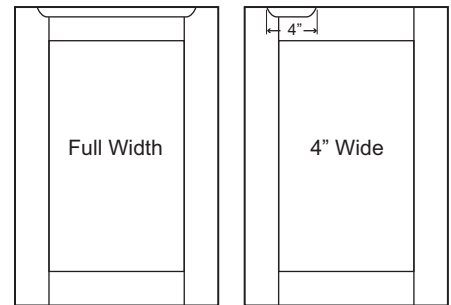

ADD \$.75 per hinge hole.  
ADD \$1.00 per custom hinge hole location.

## Finger Pulls

Doors are available with either Full Width or 4" Wide Finger Pulls. Full Width Finger Pull is considered to be the Standard Pull and will be used if type of pull is not defined.

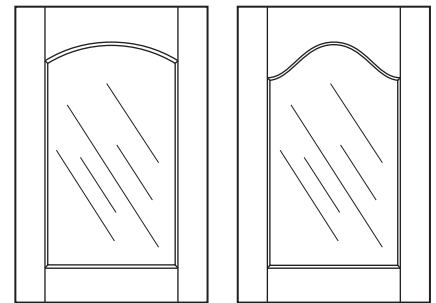

ADD \$.75 per Full Width Finger Pull, top or bottom.  
ADD \$1.50 per Full Width Finger Pulls, top and bottom.  
ADD \$1.00 per 4" Wide Finger Pull, top, bottom, left, or right.

## Beveled Glass Routing

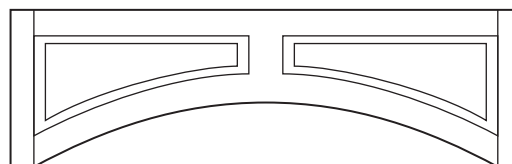

Arched glass doors are available with routing for Beveled Glass.

ADD \$2.50 per arched door.

## Arched Panel Valances

Custom arched recessed panel and raised panel Valances and Oven Hoods are available. Please provide a sketch or a drawing.

# Door Options

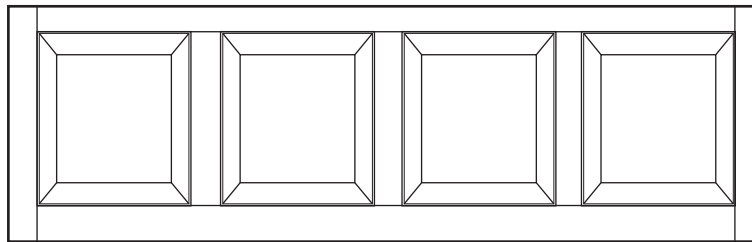

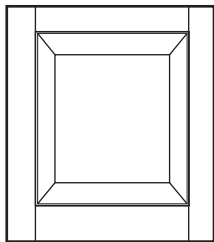

## Wood Species

In addition to the wood species shown in our pricing matrixes, these species are available:

Jatoba	Qtr Sawn White Oak	Rustic Alder	Rustic Maple
Lyptus	Rift Cut Red Oak	Rustic Cherry	Rustic Oak
Qtr Sawn Red Oak	Rift Cut White Oak	Rustic Hickory	Western Maple

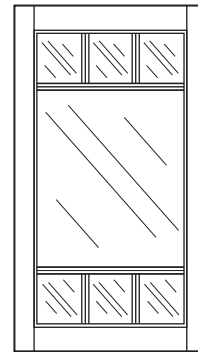

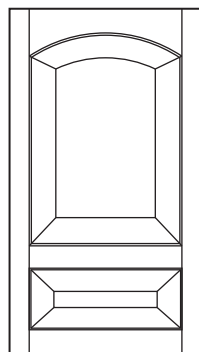

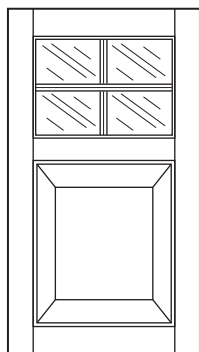

## End Panels, Back Panels, and Wainscot

Custom End Panels, Back panels, and Wainscot Panels are available. Please provide a sketch or a drawing.

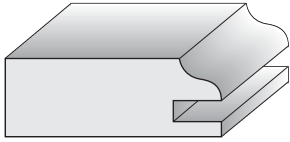

## Specialty Doors

Special doors are available with different size stiles and rails and or locations, or with special glass grids or grid locations, or with lower panels and upper glass with mullions. Please provide a sketch or a drawing.

# Dovetail Drawer Boxes

STYLE	DRAWER BOX DESIGN
100	Drawer Box - 1/2" Sidewall
110	Drawer Box - 5/8" Sidewall
105	Pullout - 1/2" Sidewall
115	Pullout - 5/8" Sidewall

## ***DRAWER BOX PRICING IS MADE UP OF TWO PARTS:***

***1.) Sidewall Price***

***2.) Bottom Price***

***Step 1: Calculate the square footage of the sidewall material***       $(W + D) \times 2 \times H \div 144 = \text{Square Footage}$

***Then multiply by the sidewall square footage price***

***Step 2: Calculate the square footage of the bottom material***       $(W \times D) \div 144 = \text{Square Footage}$

***Then multiply by the bottom square footage price***

***Add the prices from Steps 1 and 2 to determine the price of an assembled drawer. There is 2 square foot minimum for sidewall pricing and a 1 square foot minimum for bottom pricing.***
